

TESTA FORUM (Draft)

“Lithium-ion Battery Manufacturing Technology: Design & Production”

July 13th, 2021 14:00-16:00 hr.

Online (WebEx event)

14:00-14:10 hr	Opening Session by Dr. Pimpa Limthongkul, President of Thailand Energy Storage Technology Association (TESTA)
14:10-15:00 hr	“Technological Advancement on Design and Production of Lithium-ion Battery Cell Manufacturing” by Mr. Panuporn Udompansa, Cell Development and Program Manager, QUANTUMSCAPE Corp., California, USA Q&A
15:00-15:50 hr	“Design and Manufacturing technology of Battery pack for electric vehicle” by Mr. Christoph Schaeper, CEO, Air Energy Entwicklungsgesellschaft mbH & Co KG, Aachen, Germany (Tentative) Q&A
15:50-16:00 hr	Closing Session
